

01.COM ZIMBRA HOSTING SELECT FEATURES

Elegant Experience. Innovative Ajax-based web client with search, shared calendar and email that is tightly integrated with contacts and calendaring.

Flexibility. Use web client, Microsoft Outlook, or Apple's Mail, iCal & Address Book for email, contacts, and calendar.

Cost-effective. Starting at only \$3.99/mailbox, no servers or licensing costs.

Stay Connected. Sync email, contacts & calendar with mobile devices: Blackberry, Palm, iPhone, Windows Mobile.

Freedom of Choice. Support for Windows, Apple and Linux computers.

All-in-one. Not only email, calendaring, contact sharing and delegation, but also integrated, per-mailbox and per-domain anti-spam and anti-virus preferences.

BUSINESS & PERSONAL ZIMBRA HOSTING

For Business use. You bring your own domain name, we bring the rest! Host anywhere from 1 to 1500 mailboxes with 01.com, no minimum! Add, delete and change the quotas for your mailboxes, as well as aliases and distribution (mailing) lists at will, independently, through your secure domain administrator's website.

For Personal use. If you want a hosted Zimbra account for yourself, to be able to sync your desktop or laptop computer to your mobile device, for example, or just to test out Zimbra, decide if it's right for your organization, then a Personal Hosting account is for you. And also with access to our premium 24/7 live support!

01.COM ZIMBRA HOSTING FEATURES
